Join Our Family!

Our Dreams Are Endless...

Why Become a Member?

Decades of changes in doing business have put many downtowns in a declining condition. Here in Altus, we understand that the success of the downtown district affects the business economy throughout the town. Because of that understanding, there is an ongoing effort to restore our downtown to a vibrant level of all-day activity in a safe, attractive setting - the Main Street Altus downtown revitalization program.

Our goals are set on restoring the importance of our Main Street District. Altus will be a place where families and friends can meet and mingle; where a wide variety of stores and restaurants will meet the needs and desires of our residents and visitors alike; and where the history of Altus is told and honored in the buildings and design of our central business district.

How You Can Help

It takes people with an interest in supporting the efforts of Main Street Altus to preserve our community traditions and make the future of Altus a reality. We have been blessed with many volunteers to help make this happen, and we can accomplish much more with your continued support and help.

*Looking Toward The Future
Through The Past*

Main Street Altus is committed to creating a destination for residents and visitors to work, shop and have fun creating memories for our future.
